## WHAT IS TIAC?

The Thermal Insulation Association of Canada is the national industry association for contractors, distributors and manufacturers of commercial, industrial and institutional thermal insulation, asbestos abatement and firestop.

### OUR OBJECTIVES

- To continue to promote and advance the TIAC Best Practices Guide to the industry.
- To further the interests of the members of the Corporation.
- To educate members of the Corporation, permitting the highest possible development of professional skills with respect to insulation in all aspects and through this professional development to continue to merit the confidence of architects, engineers, owners, and/or their agents.
- To obtain, disseminate and exchange full and accurate information among the members regarding all matters pertinent to the advancement of the insulation industry and the improvement of conditions within the industry.
- To advance, promote and maintain harmony in all relations between employer and employee in the insulation industry through the practice of high standards of ethical, professional, scientific and social behaviour.
- Generally, to promote and encourage better public relations, specifically, to receive and adjust any and all complaints between different parties in a manner which will assure adherence to the highest possible standards of efficiency and service without pecuniary gain.
- To promote the conservation of energy through the effective use of insulation.
- To coordinate industry endeavours and represent the membership as the national voice of the insulation industry.

## TIAC'S ANNUAL CONFERENCES

TIAC's Annual Conferences feature timely presentations by industry experts, sector-specific business meetings and networking events. These Conferences offer a wide variety of opportunities to learn about technical, operational and organizational challenges faced by the insulation industry, as well as offers new approaches and techniques to address them. It also offers a forum that connects the contractor, manufacturer and distributor sectors like no other professional development event.

With attendance estimated at 200 participants, put your company front and centre today!

## WHO ATTENDS TIAC'S ANNUAL CONFERENCES?

Delegates come to these Conferences prepared to learn more about current trends, best practices and innovative management solutions. Connect your organization with contractors, manufacturers and distributors of commercial, industrial and institutional thermal insulation, asbestos abatement and firestop from across Canada and the US.

Connect through the only National Association linking the contractors, distributors and manufacturers of commercial, industrial and institutional thermal insulation, asbestos abatement and firestop and:

- Position your business as an industry leader;
- Network with a hard-to-reach audience on an intimate level;
- Gain insights into new trends;
- Flexible plans created to provide custom solutions for your marketing needs; and,
- Partner with an associate business and split the investment costs (and benefits)!
